ESTABLISHED "1923"

Since 1923 the staff at Kewpee's has put the emphasis on serving fresh food promptly. The Kewpee Oliveburger is the most popular burger on the menu. The original Oliveburger (served for over seventy years) like all of our ground beef burgers are composed of only fresh meat ground fresh daily using only domestic beef. Our salads are also prepared fresh daily at each location not at some distant commissary.

The years rapidly pass with many of the staff sharing ten to twenty years assisting in the daily operations. The members of Kewpee's Organization invite you our customer to continue to share in our food tradition.
